FOR ALLOWANCE UNDER 37 CFR §1.104(E)**

Commissioner for Patents

Sir:

Applicant has received the Examiner's Statement of Reasons for Allowance with the July 28, 2009 Notice of Allowance and Allowability regarding the above-identified application. Entry of the Statement into the record should not be construed as any agreement with or acquiescence in the reasoning stated by the Examiner. Each of the claims stands on its own merits and is patentable because of the combination it recites and not because of the presence or absence of any one particular element.

Applicant thanks the Examiner for allowing claims 1, 2, 5, 6, 8-12, 14, 15 and 18-21. However, because the reasons for allowance do not correspond word for word with the allowed claims, the reasons for allowance should not be in any way construed to limit the scope of the protection offered by the allowed claims.

The Examiner's Statement was not prepared by Applicant and only contains the Examiner's possible positions in one or more reasons for allowability. Thus, any interpretation with respect to the Examiner's Statement of Reasons for Allowance should not be imputed to the Applicant.

Respectfully submitted,
